**TO:** ATEM COUNCIL MEMBERS (Copy to Joe Hollander)

**FROM:** ATEM PRESIDENT

**CONTACT PERSON** Giles Pickford [atem1@bigpond.com](mailto:atem1@bigpond.com)

**DATE:**

**SUBJECT: DATES OF 2006 TEM CONFERENCE – Resolution 03/40 refers**

---

**RECOMMENDATION:**

In accordance with Council procedures for decision by Flying Minute, that Council members indicated by email or fax by **7 November 2003** their approval or otherwise to the following:

**That the ATEM Council confirms the recommendation of the 2006 Organising Committee that the Conference be held at the Hilton Hotel Sydney from Sunday 27 August to Wednesday 30 August 2006.**

**BACKGROUND:**

The NSW Branch has requested an urgent resolution by flying minute confirming the dates of the 2006 30th Anniversary TEM Conference in Sydney. Their reasons are below.

“The August dates agreed upon give us considerable reductions in accommodation costs and given Sydney is the most expensive of all the cities this seems to make a lot of sense. Also we will not be competing with major sporting events or other major attractions.”

The ATEM Council resolution is also dependent upon the passing of a similar resolution of the TEFMA Board.

**DECISION:**

**The above recommendation was carried by Flying Minute on 8 November 2003. Resolution 03/40.**
